SPECIAL ABILITY—Charlotte Worley

Psychological Training

If I've talked to you for five minutes or more, I can tell whether you believe what you are saying or not. This is not necessarily the same as telling whether or not you are lying – for example, you might believe what you're saying because you are insane.

If you are a professional spy, then this ability will not work on you, and I will think you are perfectly sincere.

This is not a psychic ability.

SPECIAL ABILITY – Wanda Phillips

Suggestion

If I have just given you a simple command, you must attempt to do it to the best of your ability for the next minute. Unless you yourself have psychic abilities, you will not realize that I have influenced you. This does not work on anyone with Psychic Shielding.

Wanda may not use this ability more than once every half hour.

SPECIAL ABILITY – Sanjay Gupta

Mental Blanking

If you are immobile near me for at least a minute, I can cause you to forget everything that has happened to you for the amount of time I specify, up to an hour. If you are immobile for much longer periods of time, I can make you forget years or more.

SPECIAL ABILITY – Lani Vishra

Aura Reading

Please give me a one-sentence description of your current general emotional state. If you have psychic shielding, you may tell me anything you wish.

Usable five times.

SPECIAL ABILITY – Alexander Brozne

Truth Sense

(You may show this to any character who has just said something while you were in physical contact with them.)

Please tell me whether or not what you just said was truthful. If you have psychic shielding, you may tell me anything you wish.
